Plaintiff's request to amend is DENIED. Plaintiff has already twice amended his complaint. A Report and Recommendation recommending dismissal of the complaint remains pending. The request to amend simply adds a laundry list of additional claims (such as obstruction of justice, defamation, and slander) without asserting any facts to plausibly support those claims. And, even with a liberal reading of the Second Amended Complaint, the proposed additional claims are not plausibly stated.

SO ORDERED:

HON. ROBERT W. LEHRBURGER  
UNITED STATES MAGISTRATE JUDGE
